

Resolution Endorsing LaborTech 2008

Whereas, the need to develop labor communication and labor media is critical to defend our unions and working people; and

Whereas, LaborTech has had semi-annual conferences to help educate and train trade unionists on how to build Web pages, produce labor video programs and develop labor media; and

Whereas, San Francisco has many labor union Web sites, labor TV shows by ILWU 10, NALC 214 and other labor media; and

Whereas, the need to defend our democratic and union rights on the Internet and other communication portals are vital for democratic communication,

Therefore Be It Resolved that the San Francisco Labor Council endorses the 2008 LaborTech conference (www.labortech.net) which will be held at the University of San Francisco on December 5 – 7, 2008 and will encourage its locals and affiliates to endorse, contribute and participate.

Submitted by Brother Robert Irminger, IBU, and adopted by the San Francisco Labor Council on October 27, 2008.

Respectfully,
